No 385-La...

My attention has been drawn to the fact that considerable inconvenience is caused by variations in the rules regarding elections to the District Board, the Municipality, the Representative Assembly and the Legislative Council in regard to the manner in which the names of the candidates preferred are to be indicated on the voting paper. I am told that in one set of rules a tick mark (✓) is to be made, in another a cross mark and still in another case the name of the candidate voted for is to be left in tact and the names of those not voted for to be erased by pencil. I think, it would be convenient if the rules are all similar in regard to this matter, so that ignorant voters may be saved ~~the~~ trouble. I shall be glad if the rules are examined in consultation with the Representative Assembly Section and uniformity of procedure laid down.

12) Rule 25 of the election rules relating to District Boards and rule 22 of the City and Town Municipal election rules already provide for the putting of a cross X in the voting paper in favour of a candidate who is preferred by a voter. They do not require any modification.

13) In the case of the Minor Municipal Councils, rule 16 of the election rules requires that the name or names of the candidates for whom the voter does not vote should be scored out and the name or name of the candidate not exceeding the number of persons to be -- elected should be retained in the voting paper. This rule and also rule 21 (ii) in which reference is made to the retention of the names of candidates requires modification.
